

Waddington All Saints Academy
A L.E.A.D. Academy

Waddington All Saints Academy School Uniform Policy

Our Academy has high expectations of itself and its pupils. We endeavour to achieve the best that we can and demonstrate care, pride and quality in our work and outcomes. It is an expectation that pupils will positively represent the Academy and the wider Multi Academy Trust by looking smart, well presented and proud. The uniform plays a big part in securing this.

It is also recognised that within the community that we serve, many of our pupils come from a Service Family background where uniform has great significance.

Children should **always** wear an Academy logo when on visits out of school, so that they are easily identified from other children in red tops. It is also an expectation that when children have the opportunity to represent the Academy, in or out of school, they will be in full uniform.

All items of clothing must be named, so that they can be returned if lost. We do not have the capacity to store unnamed lost property.
