## Home-School Agreement 2017/18

Our aim is to provide for your child a high quality learning experience that is creative, engaging and positive. We aspire to deliver a provision which is at least as good as, if not better, than that found in most schools.

In order for us to do this we will :

- Deliver a broad, balanced and rich curriculum, which is carefully planned to meet the needs of all children.
- Ensure your child's physical and social well-being at all times, fostering their feeling of confidence, self-worth and belonging.
- Support your child in making positive decisions about interactions with others, based upon kindness and dignity.
- Provide a range of extra-curricular activities designed to enrich your child's experience.
- Ensure that all homework tasks are given regularly, and that they reflect your child's learning needs.
- Actively welcome parents/carers into the life of the school and to ensure that teaching staff are available, by mutual arrangement, to discuss any concerns you might have about your child's progress or welfare.
- Keep you informed about the school's policies and guidelines on behaviour and equal opportunities, and about your child's progress in particular.
- Ensure that all teaching staff keep up to date on important educational developments and initiatives that might effect your child, and to inform you of these at given meetings, where appropriate.

*We are committed to working in partnership with the wider community to ensure that the children in our care receive the very best standard of education possible. You are integral to this and we believe that your role, in signing up to this agreement, will make this possible*
