

Waddington All Saints Academy

A L.E.A.D. Academy

WADDINGTON ALL SAINTS ACADEMY ADMISSIONS POLICY for 2022/2023

Introduction

Waddington All Saints Academy is part of the L.E.A.D. Academy. The Trust is the admissions authority, but the local authority manage all the processes on its behalf, applying the regulations on admissions fairly and equally to all those who wish to attend this school. This policy conforms to the regulations that are set out in legislation and also further explained in the statutory School Admissions Code and the statutory School Admission Appeals Code.

Arrangements for applications for places in Reception at Waddington All Saints Academy will be made in accordance with Lincolnshire County Council's co-ordinated admission arrangements. Parents resident in Lincolnshire can apply online at www.lincolnshire.gov.uk/schooladmissions, they can also apply by telephone, or ask for a paper application form, by telephoning 01522 782030. Parents resident in other areas must apply through their home local authority. Waddington All Saints Academy will adhere to the timescales outlined in the Lincolnshire County Council Co – ordinated admissions scheme available at www.lincolnshire.gov.uk/schooladmissions for these applications and the relevant Local Authority will make the offers of places on our behalf as required by the School Admissions Code (2021). In year admissions are dealt with in accordance with the in year section below.

The published admission number for Waddington All Saints Academy is 60.

Waddington All Saints Academy provides for the admission of all children in the September following their fourth birthday.

Where we have offered a child a place at our school:

- a) that child is entitled to a full-time place in the September following their fourth birthday;
- b) the child's parents can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made, whichever is the sooner;
- c) where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

Parents interested in deferring admission or arranging part-time attendance must contact the school to discuss this.

In accordance with legislation, the allocation of places for children with an Education, Health and Care Plan naming the school in the plan will take place first (Children and Families Act 2014). Remaining places will be allocated in accordance with this policy.

For entry into reception in September we will allocate places to parents who return an application before we consider any parent who has not returned one.

If there are more applications than places then the oversubscription criteria will be used to decide who should be offered the place. The oversubscription criteria are listed in order. If it is necessary to distinguish between more than one applicant in any criteria, the next criteria will be applied until the tie-breaker is used. Words marked with a number, for example 1, 2 and 3 are explained separately in the definition and notes section.

Oversubscription Criteria

- A. The child is in the care of the local authority or had previously been in care, including those children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. (1)
- B. There is a brother or sister (2) on roll at the academy at the time of application (3)
- C. A child whose parent is a member of staff at the academy (not the academy trust) and has been employed at the academy for two or more years at the time at which the application for admission to the academy is made **or** a member of staff who has been recruited to fill a vacant post for which there is a demonstrable skills shortage.
- D. The academy is the nearest state funded school to the home address, as defined in note (4)
- E. The distance from the home to the academy, priority will be given to the child living closest the academy, as defined in note (5).

If the distance criterion is not sufficient to distinguish between two or more applicants for the last remaining place then a lottery will be conducted. This will be drawn by an independent person not employed by the academy or working in the Children's Services Directorate of the Local Authority.

Definitions and Notes

1. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school. A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.
Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders). Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).
2. Brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission. In all cases both children must live at the same address. We include in this criterion:

- a brother or sister who shares the same biological parents
- a half-brother, half-sister, step-brother or step-sister
- a legally adopted child, a child legally adopted by a biological or step-parent

Twins and other siblings from a multiple birth

Twins and other siblings from a multiple birth - If twins or multiple birth children are split by operation of the oversubscription criteria, the school will go above its published admission number to accommodate all children unless this would make the class too large and prejudice the education of the other children. Multiple birth children are 'excepted pupils' to infant class limits if allocated in this way. Brothers and sisters in the same year group - If brothers and sisters in the same year group are split by operation of the oversubscription criteria, the school will go above its published admission number to accommodate all children unless this would make the class too large and prejudice the education of the other children or when this would breach infant class size limits.

Brothers and sisters in the same year group

Where there is only one place available in the school the children will be considered together as one application. The school will go above its admission number as necessary to admit all the children except in cases where this would make the class too large or the infant class regulations prevent this from happening. If the infant class size regulations apply, we can only legally offer one place because the government's school admissions code makes no exception to the infant class size limit for siblings in the same year group. We will offer the parent one place for one child and a different school for the other child or children.

3. Year 6 Pupils:

For the purposes of applying the oversubscription criteria, pupils in year 6 at the time of application will be considered as siblings in school. The reason for this is to acknowledge the relationship which has already been established between the academy and families.

4. The nearest state funded school is found by measuring the straight line distance from the child's home address to all state funded schools admitting children in the relevant year group; this is calculated by Lincolnshire County Council school admissions team using straight line distance to three decimal places e.g. 1.234 miles.

5. Straight line distance as calculated electronically to three figures after the decimal point (e.g. 1.543 miles) by Lincolnshire County Council school admissions team from the Post Office Address Point of the home to the Post Office Address Point of the school.

We use the distance calculated in this way to apply the final oversubscription criterion.

Home Address

The home address is considered as the address where the child lives for the majority of term time with a parent (as defined in section 576 of the Education Act 1996). Where a child lives normally during the school week with more than one parent at different addresses, the home address accepted for the purposes of school admissions will be the one where the child spends the majority of term time. If a parent can show that their child spends an equal amount of time at two addresses during school term time with a parent, they can choose which address to use on the application. If a parent has more than one home, we will accept the address where the parent and child normally live for the majority of the school term time as the home address.

We do not take into an account an intention to move.

Reserve List

For admission into the intake year the admission authority for will operate a reserve list. In the normal admissions round if we refuse a place at our school your child is automatically placed on the reserve list, unless you have been offered a higher preference school.

This list is kept in the order of the oversubscription criteria, as required by the school admissions code. Children can move up and down the list depending on where the other children are ranked against the oversubscription criteria. The admission authority must not take account of the time you have been on the list when allocating places. For the intake year the list is held by the Local Authority School Admissions Team until the end of August. After this, the school keeps this list until (December 31st of the admitting year/another time). This list is abolished at Waddington All Saints Academy and parents wishing to remain on this list must contact the school for more information.

Appeals

In all cases where a place is refused at a school the applicant will be informed of their right of appeal to an independent panel. The decision of the independent panel is binding on all parties. Details of how to appeal a decision to refuse admission will be communicated to the applicant at the time of the refusal and will also be available on the Lincolnshire County Council website.

In year Admissions

Applications should be made via Lincolnshire County Council or directly to the school. If there are more applications than places then the oversubscription criteria will be used to decide who should be offered the place. If it is necessary to refuse a place then you will be informed of your right of appeal. Parents can apply online at www.lincolnshire.gov.uk/schooladmissions or call 01522 782030 for a paper form.

Fair Access Protocol (FAP)

Local Authorities are required to agree Fair Access Protocols in order to make sure that unplaced children, who live in the home local authority, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full. Students allocated under fair access protocols will take precedence over those on a reserve list or awaiting appeal. Waddington All Saints Academy will participate in the Fair Access Protocol of Lincolnshire County Council.

Children of UK Service Personnel (UK Armed Forces)

For families of UK service personnel with a confirmed posting to the area, or crown servants returning to live in the area from overseas, the Governors will:

- Process an application in advance of the family arriving in the area provided it is accompanied by an official letter that declares a relocation date and a Unit postal address, intended address or quartering area address to use when considering the application against the school's oversubscription criteria.
- Accept a Unit postal address or quartering area address for admissions purposes for a service child where the parent requests this.
- The Governors will not refuse a service child a place solely because the family does not have an intended address or does not yet live in the area.

Evidence of an intended address will be required such as tenancy agreement, or mortgage statement. Please contact the school for more details.

For late coordinated applications and midyear applications supported by the appropriate military documentation, we will aim to remove any disadvantage to UK service personnel (UK Armed Forces).

The governors will consider whether:

- An application from that address would normally succeed in an oversubscribed year.
- There is any child on the reserve list with higher priority under the oversubscription criteria.
- The prejudice from admitting an extra child would be excessive.

The governors have discretion to admit above the admission number in these circumstances if they wish, but are not obliged to do so. If a place is refused, you will be informed of your right of appeal.

Admission of children outside their normal age group:

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1. Parents wishing to make these requests must contact their home local authority for guidance on the procedure to follow. Parents resident in Lincolnshire should call 01522 782030 or email schooladmissions@lincolnshire.gov.uk for advice on the procedure to follow. It is important for parents to note that they will have the opportunity and responsibility to provide whatever evidence they wish to support their request. Waddington All Saints Academy will make decisions on the basis of the circumstances of each case and in the best interests of the child concerned.

This will include taking account of:

- the parent's views;
- any available information about the child's academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group;
- any evidence that the child may naturally have fallen into a lower age group if it were not for being born prematurely
- the views of the head teacher

Waddington All Saints Academy provides for the admission of all children in the September following their fourth birthday. Where we have offered a child a place at our school:

- a) That child is entitled to a full-time place in the September following their fourth birthday;
- b) the child's parents can defer the date their child is admitted to the school until later in the school year but not beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which it was made, whichever is the sooner;
- c) Where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age. Parents interested in deferring admission or arranging part-time attendance should contact the school to discuss this

Fraudulent or Misleading Applications

We reserve the right to check any address and other information provided so we can apply the oversubscription criteria accurately and fairly. As an admission authority we have the right to investigate any concerns we may have about your application and to withdraw the offer of a place if we consider there is evidence that you have made a fraudulent claim or provided misleading information, for example if a false address was given which denied a place to a child with a stronger claim. If a place is withdrawn, the application will be considered afresh and you will be advised of your right of appeal if a place is refused.

Withdrawing an Offer

An offer of a place may be withdrawn in the following circumstances:

- It was made in error;
- It was made on the basis of a fraudulent or intentionally misleading application (e.g. a false claim to residence in the catchment areas);
- A place offered at the relevant academy is not accepted within 14 days originally specified or after a repetition of the offer allowing a further 7 days for acceptance and specifying that the offer may be withdrawn if it is not accepted within that period.

Appendix one

In order to support the military covenant aimed at removing disadvantage for UK service personnel (UK armed forces), and Crown servants returning from abroad the following arrangements will apply.

If an application is supported by an official letter declaring a posting and a relocation date then an intention to move to a confirmed address or quartering within the UK will be accepted for a child for the purposes of implementing the oversubscription criteria.

Where an application is not supported by an official letter declaring a posting and relocation date, or is not being made due to a new posting then the child's current address will be used to examine the application against the oversubscription criteria until the child is formally resident in the new address.

Proof of intended occupation of the residential address such as mortgage statement, exchange of contracts or signed tenancy agreement will be required. For applicants participating in the Future Accommodation Model trial, a letter accepting an address under the scheme will be accepted if a signed tenancy agreement cannot be provided.

An offer may be withdrawn if a child does not reside at the address listed on the application form if the school is oversubscribed and use of an incorrect address has resulted in a place being denied to another child who would otherwise have been offered the place.

If a family have provided the required proof of posting, a unit postal address will be accepted for the purposes of operating the oversubscription criteria if parents are unable to provide an address or prefer to use the unit address. This unit will be the base to which the parent has been posted.

In all cases where an applicant is considered after national offer day of the admitting year and parents can demonstrate that the child is a child of a crown servant returning from abroad or is a child of a serving member of the armed forces, the governors will consider whether to offer a place at a school even if the school has reached its official PAN. When making the decision whether to offer over PAN the governors will consider the circumstances of each case including

- If the applicant would have been offered a place had they applied on time in the admissions round of the year of entry
- Whether there is any child on the reserve list with higher priority under the oversubscription criteria
- Whether admission of a further student would prejudice the efficient education and efficient use of resources and this prejudice would be excessive

The Governors have discretion to admit above the admission number in these circumstances but they are not obliged to do so. If a place is refused, parents will be informed of their right of appeal.
