

## Service Pupil Premium (SPP) Strategy Statement 2021-2024

1.Summary Information					
School:	Waddington All Saints Academy		Current Year	2023-24	
Strategy Period	2021-2024		Total Current SPP Budget	£69,010	
Total Number of Pupils	372	Number eligible for SPP	216	Date of next review	September 2024

The Service Pupil Premium primary focus is on pastoral care, guidance and support.

Specific Challenges and Barriers to Overcome	
Service-linked/ Contextual Barriers	
1.	Disrupted home life due to parental deployments and the impact of service life.
2.	Transition and movement between schools (both in and out of Waddington). Concerns include: friendships/worries/anxiety and stress for pupils
3.	Gaps in learning as a result of moving from a different education system often results in: loss of confidence, anxiety
4.	SEND support- children moving into area where funding streams differ.

What do we want to achieve?		
	Desired Outcome	Success Criteria
1.	Pupils are well supported when pastoral concerns are raised.	Pupils with a deployed parent have access to 1:1 support, as needed (in liaison with parents/school). Pupil voice evidences a high level of support from the pastoral support team. Availability of proactive and reactive pastoral support. Parents have a point of contact for support. Service life is celebrated. Pupils arrive in school feeling supported and ready to learn.
2.	Pupils and families are support during times of transition in and out of Waddington.	Welcome visits for new starters. Welcome booklet emailed or sent to children who know they are coming here. Children who are moving away have the opportunity for an exit 1:1 session.

3.	Pupils' wellbeing and confidence is supported by quick identification of barriers to learning, with interventions in place to support narrowing the gap.	Rapid assessments enable gaps in learning to be quickly identified when pupils arrive. Progress tracking is accurate and supports progress. Appropriate interventions in place- pre/over learning to support the embedding of key skills. Personalised provision within quality first teaching is highly focused to support progress.
4.	Pupils with SEND are well supported – through QFT, targeted support and outside agency support, as required.	High needs pupils who transfer in from different countries or LEAs are quickly identified and plans put in place to support progress. Release time for teachers/SENDCO to ensure that the relevant paperwork is completed, for example: to secure additional funding (EHCP) when a pupil has moved from a different educational system or LEA.
